AVERELL HARRIMAN'S VISIT

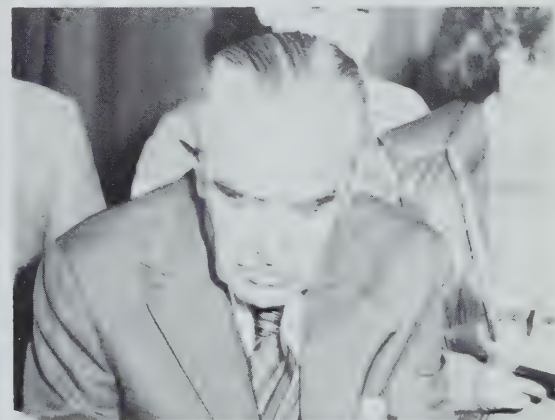

"I have a great deal of faith in this country, and an even greater amount of faith in young people."

Somerville High was honored by the visit of Governor W. Averell Harriman, on the occasion of the dedication of the John F. Kennedy Library. Governor Harriman has had a prestigious political career that has spanned over four decades, and continues to be an influential force in the Democratic Party today.

Governor Harriman and his wife were lunch guests at the High School. They were met at the airport and escorted to the school by Edward Murray, head of the social studies department, and guidance counselor Rosemarie Hruby.

Governor Harriman addressed some 1500 students and faculty members during an assembly. Following a short speech, Governor Harriman answered questions posed by a student panel, consisting of George Nassiopoulos, James Doherty, Cathy Carr, Sandra Bishop, and Christina Bramante. After the question period, Governor and Mrs. Harriman were presented Somerville pull-over sweaters by the Hole-in-the-Wall.

JACK KNIGHT RETURNS TO S.H.S.

Somerville High School graduate Jack Knight, celebrated actor in films and television, returned to his alma mater Tuesday, November 13, 1979, to perform for English students his one - man show, "Vachel Lindsay Enters Into Heaven."

In the show, which Knight presented in New York, Washington, and other parts of the country, the actor assumed the personality of the American poet and read many of his poems, occasionally inviting audience participation.

Knight, who studied at U.Mass/Amherst, has appeared often in films, on the stage, and in many television shows, including "Police Story", "Chico and the Man", and "The Rockford Files". He co - starred with Dom Deluise in the comedy "Lotsa Luck". He is also frequently seen in television commercials. SHS drama students met with Knight and interviewed him about his career.

UNSUNG HEROS

Somerville's Pride Hold Their Heads Up High

It isn't very often that a whole school becomes involved in one team's playoff efforts, but that was the case for the Somerville High School soccer team. The team was cheered on by many Somerville High supporters as they faced Beverly in the first game of the Northern Mass. Finals.

Both teams had tough defensive lines, so the game became a battle of the offense. At the end of regulation time, the game stood scoreless. Then, overtime, again no score; double overtime, scoreless. Then, in sudden death, Beverly brought the ball down to the Somerville end, and put the ball by the far right of Somerville goalie Tom Bullock. Beverly left the field victorious, but Somerville had reason to be proud of being the GBL Champs, and of having had one of the best seasons the team has ever had.

SOCCER

Captain - Tom Bullock, Coach Phil Vaccaro, Captain Sergio Buttarro

Somerville Shows 'Em How

Somerville High School's soccer team, taken for granted by most, proved that lightning continues to strike in the same place. For Coach Phil Vaccaro, it was a replay of previous winning seasons, of hoping for more than just a fabulous record, but another shot at the championship.

A combination of boys who played the best game they could the only way they knew how; players like halfbacks Sergio Sessa and Donald Toussaint, forwards Sergio Buttarro, and Luis Cabral, fullbacks Carlos Homen and Bobby DeFabrizio, along with goalie Tom Bullock, maintained a first place position throughout the season

Somerville High has the privilege of rooting for a consistently winning and always exciting team. Although soccer hasn't caught on in all parts of the country yet, when it does, Somerville will be fortunate enough to have already had the best.

FOOTBALL

Captains- Steve Dangora, Tommy Hartnett, Billy Abbott.

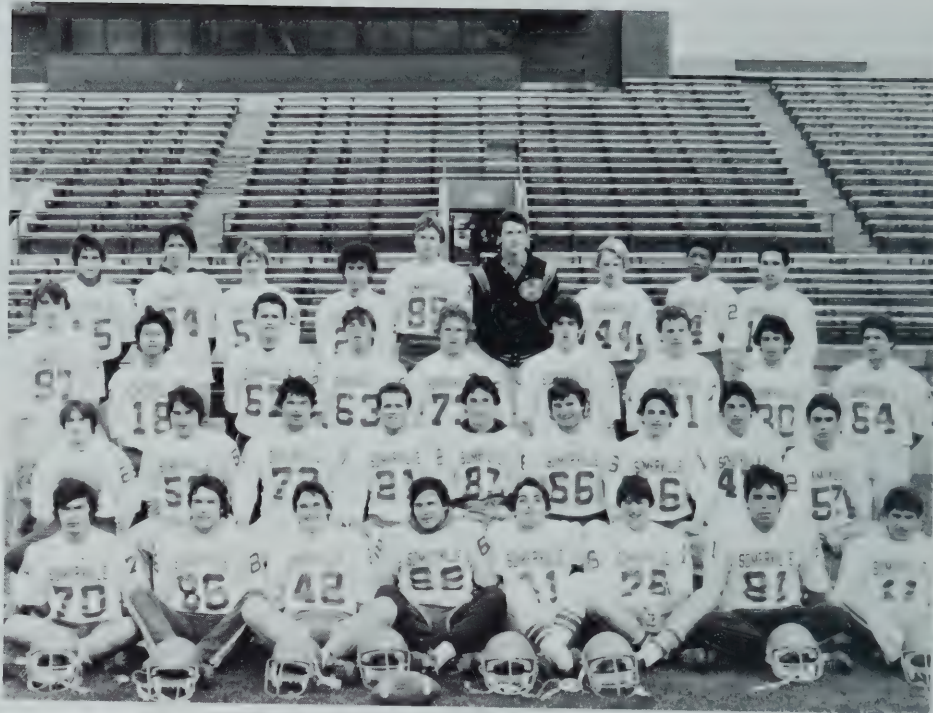

SOMERVILLE'S BEST DOESN'T SUFFICE

The GBL went on a tear at the expense of the Somerville High football team. The defensive team couldn't hold back the opposition, and the offense just couldn't seem to break through to the end zone.

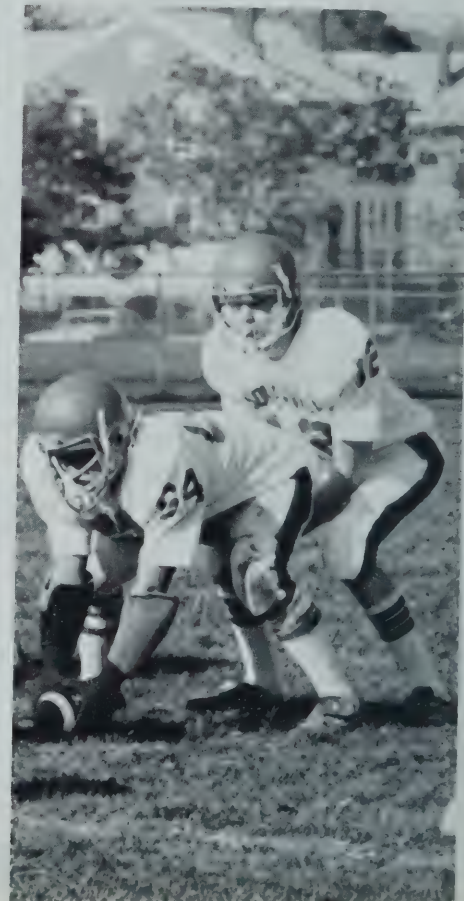

Coach Rick Cash pulled his team together many times after discouraging losses, but despite talk, encouragement, and practice, the 1979-80 season left much to be desired.

Captains Tommy Hartnett, Billy Abbott, and Steve Dangora worked with starting quarterback Mike Slattery, and starters Dave DeCologero, Nick Solomini, and Brennan Hairston, who did their best to post a win. But most of the season was filled with disappointment for the team and the school combined.

Although the season wasn't filled with positive feelings, the Somerville High fans went to every game to root their team to victory.

TURKEY DAY RALLY

TURKEY DAY 1979

CHALK IT UP!

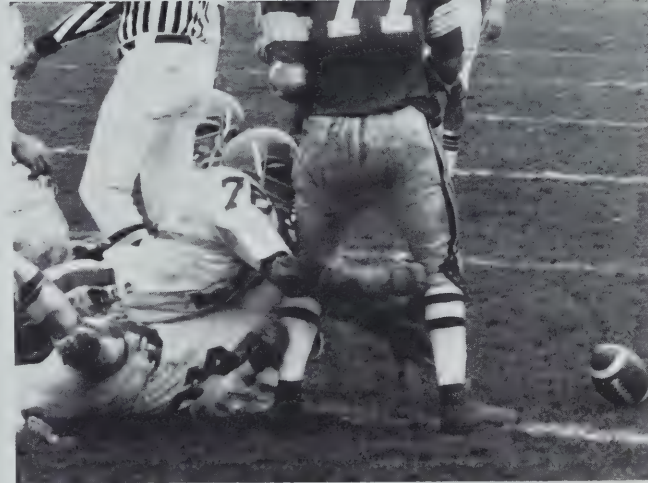

There was a record turnout at Arlington High School to see the annual Somerville-Arlington clash. The majority of spectators waved Somerville banners, and were in for a treat.

The Highlanders had their fans on their feet in the first half. First and goal at the two, Somerville running back Brennan Hairston scored on a pass from quarterback Gary Tolley with 3:04 remaining in the half. The extra point attempt was blocked, but Somerville left the field leading by six.

At 3:28 of the third quarter, again the Highlanders called on Hairston, who ran for a 20 yard carry to the 10 yard line. From there it was strictly academic. A perfect hand-off to the sophomore running back who ran wide open in the end zone. Suddenly, Somerville led by twelve.

Arlington was not unheard of, as they ran the ball 15 yards for a touchdown, later called back on a call of ineligible receiver downfield.

Two touchdowns and great crowd enthusiasm made Thanksgiving Day 1979 a season high.

TRACK GIRL'S CROSS-COUNTRY

Co-Captain Diane James, Coach Robert Nason, Co-Captain Nancy James.

... Even the Bonne Bell Under the leadership of senior co-captains Diane and Nancy James, the Somerville Girls' Cross-Country team was able to finish its second official season with an impressive 4-2 record. The team, coached by Robert Nason and assistant coach Charles O'Rourke, performed well in each of the league meets, as well as the Boston Bonne Bell 10K race, the Somerville Road Race, and the State Meet. Though consisting mostly of sophomores and juniors, the team was complemented by seniors Eileen Kelley, Val Daigneau, and Wendy Gamache.

BASKETBALL

Coach G. Knight, Captain Tom Bullock

Somerville Leads The Way

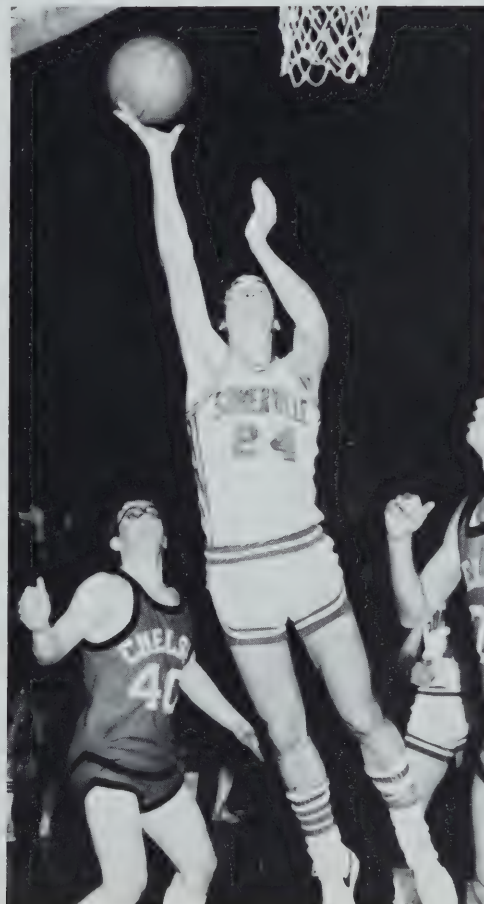

The Somerville High School Basketball team, led by center Mark "The Bird" VanValkenburg, who averaged 17.7 points a game, led the GBL with an undefeated record for the better part of the season. Captain Tom Bullock, a power forward, constant rebounder, and great asset to the team, worked with the rest of the players, and together they became a unit.

Gerry Knight, coach of the team, worked out the plays and encouraged his team to pass off and wait for the ideal scoring opportunities. An unselfish starting line-up, with boys like Mike Slattery and Mark Moran, continued to surprise the GBL with a consistently winning season.

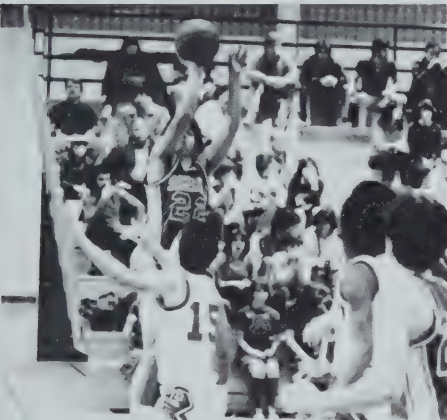

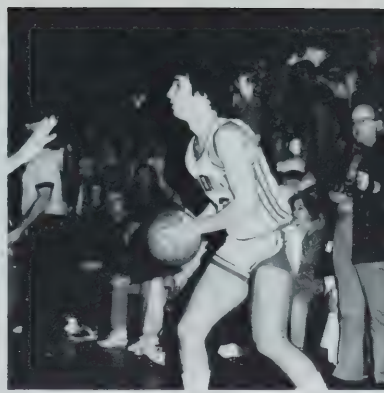

After clinching the GBL title with two games left in the season, and having had their 1979 championship aspirations shattered, the Highlanders pushed with all they had on their way to win the Division 1 championships, and pull together the proudest season that Somerville High Basketball has ever had.

HOCKEY

Co-Captain, J. O'Meara, Coach J. Doncaster, Co-Captain, M. MacInnes.

Hockey Team Goes For Their Goal

Somerville High's Varsity Hockey Team finished the 1980 season with a proud record. The team was one of hard working and unified players who had one common goal: To Win.

Coaches John Doncaster, Steve Burlamachi, and Bill Fahey, who have been together for the past four years, during the rebuilding of Somerville High Hockey, worked their team to the capacity that each player could be interchangeable with another.

The Highlanders had one of the best lines in the state, with Jim O'Meara, Tom Walsh, and Mike MacInnes. They alone were in the top six in scoring in the GBL. Two of the best penalty killers in the league, Dave DeCologero, and Mike Hamilton, were essential in moving the puck around, and gave people like right wing Alan Hodgkins the chance to score and keep the fans on their feet.

Their ways of scoring were effective, and on the average, stick handling was at its best. Their goals were simple: to get more than 28 points to qualify for, and possibly win, the GBL championship.

TRACK GIRLS' INDOOR

Co-Captain W. Gamache, Coach C. O'Rourke, Co-Captain F. Rothwell.

"We Live For Pain"

Led by Co-Captains Francine Rothwell and Wendy Gamache, the SHS girls' indoor track team, in its first official year as a team, finished their season with a 3-6 record. Although newcomers in the tough North Shore League, the SHS girls fared well with several of the girls accomplishing superb "feats".

Such was the case with Wendy Gamache who broke the SHS records in the 300 and 600 yard runs; Fran Rothwell, whose great performances in the 50-yard dash were highlights of the season; Diane James, who broke the SHS 2-mile record and was the first girl in four years to break the six-minute mile mark.

Although the team finished with a less than impressive record, fine efforts were also put forth by seniors Val Daigneau, Nancy James, Eileen Kelley, and Maureen Prescott, a strong group of juniors, and an impressive collection of sophomores.

BOYS' INDOOR TRACK

Coach C. O'Rourke, Tri-Captains F. Meneses, K. Coutoumas, and J. Malone, Asst. Coach C. Stauffer

The Agony Of Defeat

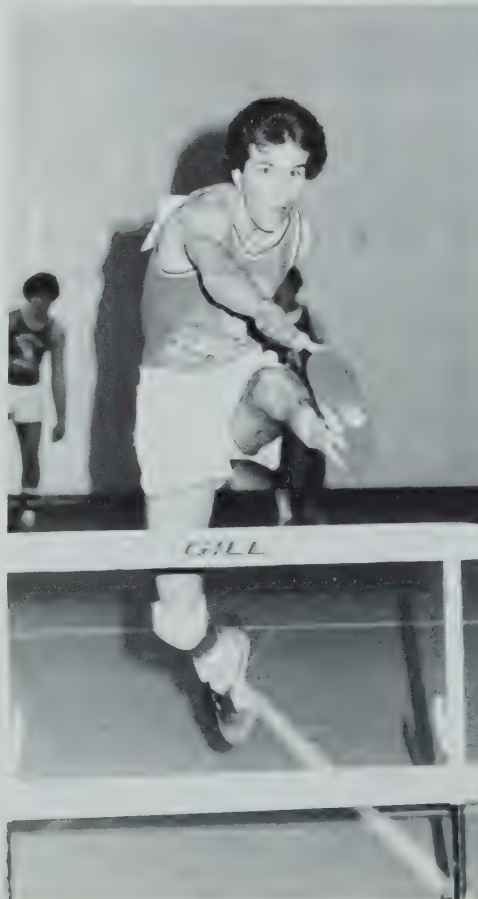

Composed of a fine group of dedicated runners, the SHS boys' track team, led by Tri-Captains Ken Coutoumas, Jimmy Malone, and Cisco Meneses, finished its season with a 2-6 record.

Although losing their first four dual meets, the boys came back to life by defeating Chelsea and shutting out Arlington. During the season, great performances were turned in by Tri-Captain Jimmy Malone in the 300-yard run and the high jump, sophomore Marco Marignoli in the 50-yard dash, senior Louie Cabral in the 1000-yard run, and Tri-Captain Ken Coutoumas who ran an incredible mile in 4:36, which was 2 seconds off the SHS mile record of 4:34. Although individual performances helped in deciding the win or loss of a meet, it was teamwork itself which pulled the team through the rough times.

Somerville Uses Defense

Coach Barbara Whittle and the Somerville High Girls' Basketball team finished the season with a less than perfect record. With the team playing just better than even, but holding their own among the teams of the GBL, the Highlanders played with only one senior, guard Colleen McGonigle.

The team was basically defensive in its strategy, and wasn't strong on the offense. Center Cindy Snow was in the top eleven in scoring in the GBL, and she, along with other starters, Denise and Joan Vaccaro, Susan Cross, and Patrice Harrington, passed the ball and worked well together in their efforts to win games. Although the competition was rough and the opposing teams were better in some cases, the Highlanders fought with their best moves to win as many games as they could.

Somerville High has begun to turn the tides in sports with its first official swim team ever in our school's history. Co-captains Tom and Shelley Foster, with Bob Toussaint and Jari Tukianen, led the team in the 400-yard freestyle relay. Seniors Tim Duhamel and Susan Pye are prime examples of the lonely, long distance swimmers competing in the 200 and 500-yard freestyle events. Other senior competitors are Terri Hart, Ellen Cross, Lisa Dell'Anno and Laurie Keating.

Janice Coiley, Vinnie Chiappini, Geri Gay, Charlie Sheehan, Andrea Keating, Charles Nickell, and Donna Hilberne make up the rest of this truly energetic squad. Coach Joann Foster's aqua kids finished with a record of 3-7.

SOMERVILLE NOW VS SOMERVILLE THEN

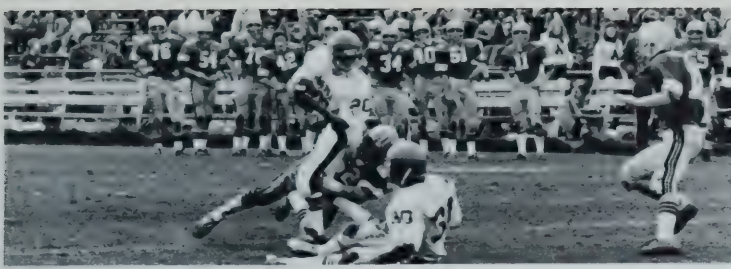

Varsity Victory

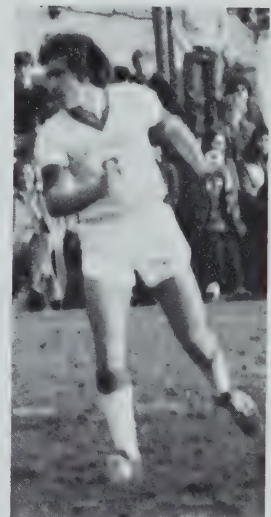

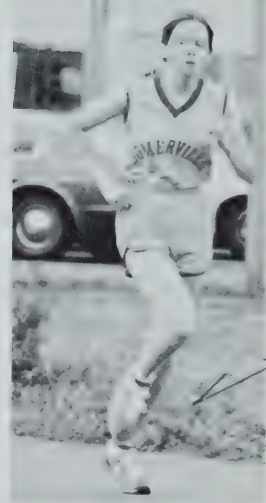

On December 11, Somerville High School announced the candidates to be inducted into the Athletic Hall of Fame. Included were: Ron Perry, Al Perry, Jim Sullivan, and Elmer Bumpus. Accompanying the inductions was the annual Somerville High Alumni Game.

Former members of the Somerville High student body faced the present Somerville High School Varsity Basketball team. The game was an exciting two hours which held the audience's attention all night long. At the end, the varsity came away with a 72-58 win.

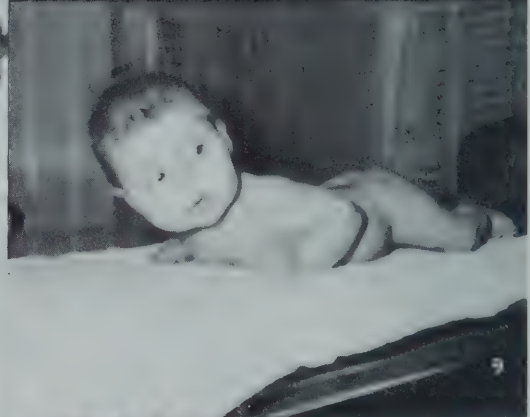

A MAN FOR ALL SEASONS

Elmer Bumpus, although he wasn't a teacher in the Somerville schools, came to know thousands of Somerville High School athletes and fans during the last four decades. In this time he conducted hundreds of C.Y.O. activities, but found time to attend hundreds of school athletic events. His opinion was highly regarded by sports enthusiasts. Because of his countless contributions to the youth of Somerville, we dedicate this page to our friend.
